Wire and Wood Solutions for Every Space

## Limited Lifetime Warranty

Rubbermaid® manufactures durable, high-quality merchandise. We warrant that, when professionally installed, our closet and garage systems are free of defects in materials or workmanship for life.

With over 30 years of experience in the industry, Rubbermaid® is proud to continue to be a trusted brand that builders and homeowners can trust.

We offer the industry's preferred white wire and wood solutions, from our standard Ventilated Wire Shelving products to our premium wood Heirloom Collection™, simplifying closet choices to create better storage solutions.

**Proudly Made in the USA**

All products in the Rubbermaid® closet portfolio are designed and manufactured in Jackson, Missouri.

# STANDARD WIRE

## Simple Storage for Every Space

Rubbermaid's Ventilated Wire Shelving is a durable, cost-effective, and functional storage solution for the home. A classic storage option, these shelves are constructed from industrial-grade steel and coated with an epoxy topcoat for a glossy, smooth finish.

### Shelf Styles

**Linen Shelving**

Ideal for clothes, linens, utility, and shoe storage.

**Wardrobe Shelving**

Combine shelf storage with clothes hanging convenience.

## Meaningful and Functional Enhancements

Upgrade the style and function of Direct Mount or FastTrack® Closet Systems with a modern satin nickel finish. Additional features like TightMesh® and FreeSlide™ shelving provide a functional and sleek aesthetic, such as the ability to slide hangers from end to end uninterrupted.

### Upgrade Options

**TightMesh®**

Closely spaced wire adds support, ideal for any room of the home.

**FreeSlide™**

Built-in hanging rod that allows hangers to slide from end to end uninterrupted.

**FastTrack® Mounting System**

A heavy-duty steel upgrade from our Direct Mount shelving system designed to be rearranged at any time as storage needs change.

Available in multiple depths and White or Satin Nickel finishes.
